Customer No. 28289

REMARKS

The specification amendment has been made in order to conform this patent application to customary United States patent practice. Original claims 1-50 have been amended as annexed to the International Preliminary Examination Report. Amended claims 1-50 have been further amended to eliminate the multiple dependencies and to conform the claims to standard United States patent practice.

Examination and allowance of pending amended claims 1-50 are respectfully requested.

Respectfully submitted,

WEBB ZIESENHEIM LOGSDON
ORKIN & HANSON, P.C.
